

How to Transfer Music and Videos from iPhone to PC?

- 1** Please download and install the latest version of Tansee iOS Music & Video Transfer [here](#).
Additionally, ensure that you have installed the [latest version of iTunes](#) and verified that it is able to read your iPhone, iPad or iPod Touch.
 - 2** Open Tansee iOS Music & Video Transfer on your computer.
 - 3** Connect your iPhone or iPad or iPod to your PC with a USB cable.
Tansee will show an Import screen with all the songs and videos that are on your connected device.
- If asked, unlock your iOS or iPadOS device using your passcode. If you see a prompt on your iOS or iPadOS device asking you to Trust This Computer, tap Trust to continue.
- 4** After Tansee displays all songs and videos, choose files you would like to copy, and click the button labeled "Copy" which can be found at the bottom of the screen.
